

Love It Or Leave It
Asaf Avidan

Capo 4

[Intro]

Am C Em Am

[Verse]

Am

Long are the days
When you re turning away

C

From the reasons you strung

Em

Long is the way
When you re aching to say

Am

But your teeth bite your tongue

Am

Loud is the wind
In your ears as you spin

C

As you look for the sun

Em

Loud are the skies
As you thunder your cries

Am

When your prayers are sung

Am

Hard is the floor
As the waves pound the shore

C

Of your wounds

G

Roll up your sleeve
It s hard to believe

Am

But it s you

[Bridge]

C

Love it or leave it

Em

Love it or leave it

Am

Love it or leave it

G

Love it or leave it
You got to believe it

[Chorus]

C

My Oh My! It hurts sometimes

Em

My Oh My! It hurts sometimes

Am

I think Iâ€™m running out of time

G

Before Iâ€™m gonna lose my mind

[Verse]

Slow is the night

When you reach for the light

But the Dark lingers on

Slow is the bite

Of the words that you write

When itâ€™s finally dawn

How can you swim

When the waters are streaming

In you

Roll up your sleeve

Now love it or leave it

It s you

Love it or leave it

You got to believe it

[Chorus]

C

My Oh My! It hurts sometimes

Em

My Oh My! It hurts sometimes

Am

I think Iâ€™m running out of time

G

Before Iâ€™m gonna lose my mind
