

In Harmony

Ásgeir

F **F/A** **Bb** **F**
I am a soul, I float amongst the fjords, and I am

F **Dm** **Bb** **F**
Creating fire which will find you

F **F/A** **Bb** **F**
Your eyes. I see the ocean deep in your eyes

F **Dm** **Bb** **C**
Now I, I know that nothing here can harm me now

Dm **Bb**
I rest inside the hope of what s to come

F/A **Bb** **C** **Dm** **F**
Then and now in harmony

F **F/A** **Bb** **F**
Who is? Please tell me who will fall and who has fallen

F **Dm** **Bb** **F**
Who hides and wants to be forgotten?

F **F/A** **Bb** **F**
My eyes. I see the path now clearly to you

F **Dm** **Bb** **C**
Now I, I see the dream is now becoming truth

Dm **Bb**
This valley overflows my hope, my life

F/A **Bb** **C** **Dm** **F**
Then and now in harmony
