F

Light up, spark the detonator

C

Am

Now I m homeward bound, way to see you later

F

If you make that step you re the instigator

C

Am

Got my mind made up, I ll be your navigator

F

C

Am

If you want me to travel over moonlit miles

F

For a precious smile

Em

Following my lonely heart

Call on me, take me...

F

Far over the seas

C

G

I return in my dreams

Dm/A

Sailing home under the stars

Am

G

To be safe in your arms

F

Ever near, travel through time

C

G

Ever close in my mind

Dm/A

Say you will truly be mine

Am G

Say you ll always be mine

F

We are a winning combination

C Am

We re two stars aligned in a constellation

F

When I get too low you re my inspiration

C Am

Never let me down, you re a revelation

F C Am

One that comes along once in a lifetime

F

Oh I realise

E

You give me love free and wild

Oh my child, lead me...

F

Far over the seas

C G

I return in my dreams
