Candy
Ash

intro :

[Bm   Em   Am .. Bm   Em   Am]

Bm   Am
candy, such a joy to me
G   Am   D
inner city nights, i cannot sleep
Bm   Am
candy, sweetest remedy
Cm   D
only you can ease my troubled dreams
Bm   Am
angel, all people are the same
G   Am   D
caught up in bitterness and blames
    Bm   Am
oh candy, on dark and lonely days
Cm   D
i hear your voice whispering my name

(cHoRus)
G   Am   D   Em
don t you know it s alright to be alone?
        Am   D
you can make it on your own..yeah
G   Am   D   Em
don t you know it s alright to be alone?
        Am   D
you can make it on your own..

Bm   Am
angel of the summer stars
G   Am   D
i will always see you safe from harm
    Bm   Am
oh candy, we ll never be apart
Cm   D
night and day, you re constant in my heart

(cHoRus)
G   Am   D   Em
don t you know it s alright to be alone?

```
         Am                    D
you can make it on your own..yeah
G                      Am         D          Em
don t you know it s alright to be alone?
         Am              D
you can make it on your own..

    C        D           C       D
oh candy, my dreams..oh candy, my dreams
C        Bm              Am         D
candy, my dreams..oh candy..

C#m        Bm
candy, pure as driven snow
A          Bm              E
come to me..you are not alone
    C#m              Bm
oh candy, you re everything to me
Dm                      E
you and i will always be free

( cHoRus )
A                      Bm         E        F#m
don t you know it s alright to be alone?
         Bm              E
you can make it on your own..yeah
A                      Bm         E        F#m
don t you know it s alright to be alone?
         Bm              E
you can make it on your own..

B      C#m           F#
it s alright to be alone..

B                      C#m         F#       G#m
don t you know it s alright to be alone?
         C#m            F#
you can make it on your own..yeah
B                      C#m           F#       G#m
don t you know it s alright to be alone?
         C#m              F#
you can make it on your own..

* the chords are not 100% correct, since i figure it out on my own..if there s
any correction that u wanna make, feel free to correct it..thank you..  =)
