

Goldfinger

Ash

Album: 1977

Type of Tab: Bass Tab

Tabbed by: Rhodri Lawrence

This is a kick ass song, there are a few crap tabs of this song out there, but this one is right, well it fits anyhow. If you play this to the song or in a band it will sound right. I haven t put in the exact tab but it gives the outline for the song, I think this is more use than a fully tabbed out song that is exact, you wouldn t be able to play it properly and way as there are no note values, so using an outline like this is more beneficial - well thats what I think.

This is in 4/4 or common time
