**LYRICS:**

1Kung fu, do what you do to me  
I haven't been the same since my teenage lobotomy  
Full on, I moved to Hong Kong  
With Bruce Lee's brother and Johnny Wong

I think it's strange  
He friends with Fu Manchu  
And he thinks he loves you  
Oh oh oh o-ohh oh  
Oh Daniel-San  
Made in Taiwan

C'mon Jackie Chan  
Oh oh oh o-ohh

Last night Jackie Chan came came round  
I played pool with him and we hung out  
Mr Miyagi, the X-Men  
Called in for a while as well

YEAHHHHH!  
Kung fu, do what you do to me  
I can't live without my kung fu movies  
Shanghai Killers and Deadly Road  
My life was ruined when The Green Dragon closed

(change and he thinks he loves you for and he's in love with you )

End on D5
