And I bet he s not a real punk boy
C **G**
I bet he s not a real punk boy
C **G** **D**
I bet he s not a real punk boy-oy

Does your heart go boom when he walks in the room?
Do rain clouds scatter and fall?
Do you feel yourself sigh when he passes you by?
Do you grow a hundred feet tall?

E **D** **B**
Do you go bang shang a-lang?
A
Every time you see him
E **D** **B**
Do you go bang shang a-lang?
A
Every time you re near him
E **D** **B**
Do you go bang shang a-lang?
A
Every time you hear him?

G
Cos if you don t he s not a real punk boy
If you don t he s not a real punk boy
If you don t he s not a real punk boy at all

Whoâ€™s that boy with the ocean green eyes?
In Rough Trade every Saturday
Don t he look cute in his eighties tracksuit
Wish I hadn t thrown mine away

And I bet he s not a real punk boy

I bet he s not a real punk boy
I bet he s not a real punk boy-oy

Do the stars explode when he walks you home?
On a cool and clear evening
Do you wanna put him on like your favorite song?
Or never wanna hear him?

Do you go bang shang a-lang?
Every time you see him
Do you go bang shang a-lang?
Every time you re near him
Do you go bang shang a-lang?
Every time you hear him?

Cos if you don t he s not a real punk boy
If you don t he s not a real punk boy
If you don t he s not a real punk boy at all
