VERSE 1

Fmaj7

Behold this night, still and clear

Fmaj7 **C**

You look here just like an angel sleeping

Fmaj7

I wish I could ease your fears

Fmaj7 **C**

I would catch the diamond tears you re weeping

Am

In your eyes I would hide

Fmaj7

By your side I could defy

Em **Fm/Fmaj7**

The forces tearing us apart

Fmaj7

But reality, as it seems

C

Looking back, is that our dream

Dm **G**

Was fated from the start

CHORUS

C **G** **F**

Girl we re starcrossed and can t escape

C **G** **F**

We re condemned and can only wait

C **G** **Dm**

At this time now it s far too late

Em F G
To save us from our fate

VERSE II

Fmaj7 Fmaj7
I ll remain in your hold, Body, mind, heart and soul
C

As long as I breathe

Fmaj7 Fmaj7
Though consequence takes its toll, All is out of our control
C

That s how it will be

Am
So close your eyes my young bride

Fmaj7
Listen to me one last time

Em Fm/Fmaj7
There s something I have to say

Fmaj7
When your faith turns to despair

C
Always will my love be there

Dm G
And never fade away

2nd CHORUS

C G F
Girl we re starcrossed and can t escape

C G F
We re condemned and can only wait

C G Dm
At this time now it s far too late

Em F G
To save us from our fate

Em Fmaj7
You can t save us

Em
You can t save us

MIDDLE

Am G Fmaj7
Am G Fmaj7

FINAL CHORUS

C G F
Girl we re starcrossed and can t escape

C G F
We re condemned and can only wait

C G Dm
At this time now it s far too late

Em F G

The poison s in our veins

C G Fmaj7

It s true.....

C G Fmaj7

You know that I d die for you.....

C G Fmaj7

You know that I d die for you.....

Am G D C

You know that I d die for you.....
