bout time we change a few things,
we a slave to the bank and we only wanna buy new shoes,
the way that we think, we can do anything that we really wanna put our minds to,
the American Dream, Dream, is a Pyramid Scheme, Scheme
and it feels out of reach when it s hard and the times are tough,
but change starts with us,
yup yup we all want freedom,
yea to be who we be, i don t wanna be afraid when i speak
to say what i m feeling,
yea together we re strong, but divided never been so weak,
it s time we get even, yeah yeah,
and really what i mean is, is, is, is change i can feel it,
and Mr. President, i think it s all gonna be okay

this one for all of yall
i m the same as all of yall
yea on my shit
i work real hard and all
for every little bit that i get
but this is all i need
so sing this song with me
it goes like

so it sounds like this
its like, its like
everybody start clappin hands

i ve
been on my grind
i can only grind
for so long

go go go go go go

i ve
been on my grind,
i can only grind,
for so long

so it s not about fame and fortune,
it s about believing and believeing in yourself,
and understanding that this life is, it s life,
it s Liberty, and the Pursuit of Happiness,
and Happiness is not about getting what you want all the timek,
it s about loving what you have,
so Get Ready It s a New Day.

C
i ve
Em

C
