Change My Life
Ashes Remain

[Intro]
D#m

[Verse 1]
       D#m
I m still awake tonight
B
Broken up inside
     F#   **C#**
I wanna run but I don t know where to go
                  D#m
I m calling Your name through the pain
        B
Will You turn Your face to me
  F#   **C#**
I m crying out I need a miracle

[Chorus 1]
                    B   **F#**   **C#**
If You could make the sun burn through the night
                      B   **F#**   **C#**
And You could make the dead man come alive
                  G#m   **B**   **C#**
If You could make the oceans all run dry
                B   **F#** **C#**
Then I know You can change my life
              B   **F#** **C#**
I know You can change my life

[Verse 2]
       D#m
I wanna know who You are
   B
that You can fix my heart
  F#   **C#**
And I don t have to run anymore
      D#m
Open my eyes let me see
     B
Give me hope and set me free
    F#   **C#**
Cause I don t wanna be the way I was before

[Chorus 1]
                    B   **F#**   **C#**
If You could make the sun burn through the night
                      B   **F#**   **C#**

```
And You could make the dead man come alive
                              G#m       B         C#
If You could make the oceans all run dry
                          B       F#  C#
Then I know You can change my life
                 B       F#  C#
I know You can change my life

[Bridge]
G#m B     F#                     C#        G#m B
     Give me something to believe in
F#              C#          G#m B
Something worth fighting for
F#                 C#          B
Something that I can t ignore
                      B       F#            C#
You could make the sun burn through the night
                      B       F#       C#
You could make the oceans all run dry

[Chorus 2]
                        B         F#              C#
If You could make the sun burn through the night
                        B         F#      C#
And You could make the dead man come alive
                        G#m       B         C#
If You could make the oceans all run dry
                          B       F#  C#
Then I know You can change my life
                 B       F#  C#
I need you to change my life
                 B       F#  C#
I need you to change my life
```
