

**Here For a Reason
Ashes Remain**

[Intro] **G D Bm A**

G D
You re not forgotten

Bm A
You re not alone

G D
You think you re worthless, but you re worth it

Bm A
And He calls you His own

G D
Made in His image

Bm A
You were made for more

G D
You think there is no plan, that it s all by chance

Bm A
But don t believe that anymore

G D
Every time that you wake up breathing

Bm A
Every night when you close your eyes

G D
Every day that your heart keeps beating

Bm A
There s purpose for your life

G D
So don t give up

Bm A
Don t lay down

A
Just hold on

G
Don t quit now

D
Every breath that you take has meaning

Bm A
You are here for a reason

(**G D Bm A**)

G D Bm A
If you spent your days just getting by

G D
When you feel useless, He can use you

Bm A

And show you what it means to be alive

G **D**
Every time that you wake up breathing
Bm **A**
Every night when you close your eyes
G **D**
Every day that your heart keeps beating
Bm **A**
There s purpose for your life
G **D**
So don t give up
Bm
Don t lay down
A
Just hold on
G
Don t quit now
D
Every breath that you take has meaning
Bm **A**
You are here for a reason

Bm **D** **G**
Every day is a gift from above
Bm **D** **G**
Don t throw it away, When it feels like to much
He ll be there

G **D**
Every time that you wake up breathing
Bm **A**
Every night when you close your eyes
G **D**
Every day that your heart keeps beating
Bm **A**
There s purpose for your life
G **D**
So don t give up
Bm
Don t lay down
A
Just hold on
G
Don t quit now
