

Coming Back For More
Ashlee Simpson

Bm **G** **D** **A**
Sunday morning blues always about you
Bm **G** **D** **A**
I wake up alone in a big room
Bm **G** **D** **A**
Got myself to blame for all my bad moods
Bm **D**
And I really wish that I didn't feel this way
A **E**
I wanna break the circle but the circle won't break

Refrão:

Bm **Em**
I don't wanna spend another night
A **D** **Bm** **Em**
Trying to figure why you are always on my mind whoa
 A **D** **Bm**
All I know you keep me coming back for more
 Em
Even when I think I've had enough
A **D** **Bm** **Em**
When I tell you that it's over now we're done ooh
 A **D** **Bm**
Don't let go, just keep me coming back for more
 Em **A**
I'm coming coming coming coming back

Bm **G** **D** **A**
Two weeks and three whole days and I give in
Bm **G** **D** **A**
I was doing so good but you always win
Bm **D**
And I really wish sometimes that we would just move on
A **E**
But what would I be doing if you were gone
