

**E**

All the lonely days

**B**

There s no one left to love

**A**

You wish life would go away

Interlude: **C#m-A-**

Verse 2:

**C#m** **A**

Now its 2 am and im pacing  
around on the floor

**C#m** **A**

I wait for you to come home but you  
never come walk through that door

**A**

Now im trying to fake it I  
just cant seem to shake it

**F#m** **Am**

I just want this to go away

Chorus 2:

**E** **B**

Trying to be someone that  
you know you re not

**A** **E**

It gets harder everyday

**E**

All the lonely days

**B**

There s no one left to love

**A** **C#m**

You wish life would go away

**A** **E**

You wish life would go away

Bridge:

**F**

I know one day ill

**Em**

get through this

**F**

I know one day

**Em**

we ll be done

**F**

I know one day

**G**

ill find a way

**Am**

To see you

Verse 3:

**C#m** **A**

Now its 6 am and I smashed

**C#m**

all the you left behind

**A**

I gotta throw this away these  
things that ll never be mine

Chorus 3:

**E** **B**

Trying to be someone that  
you know you re not

**A** **E**

It gets harder everyday

**E**  
All the lonely days

**B**

There s no one left to love

**A** **E**

You wish life would go away

Outro:

**E** **B**

Trying to be someone that  
you know you re not

**A** **C#m**

It gets harder everyday

**A** **Am(hold)**

It gets harder everyday
