

In Another Life
Ashlee Simpson

G2 Dmaj7
G2 Dmaj7

G2
Do you love me, oh do you love me

Dmaj7
I say so

G2
Do you need me, oh do you need me

Dmaj7
God, I hope

Bm7 A
I get this feeling deep inside

F#m G2
That somewhere somehow you've passed me by

Bm7 A
I can't put my finger on it but

F#m G2
The more that I see you the more that I know

D Em
Everywhere you go is everywhere I've been

G A
You finish all my sentences before they begin

D Em
And I know that look in your eyes

G A
It s like I ve seen you before about a million times

Em7 A
In another life, in another life maybe

Em7 A
In another life you must have been mine

Oh, you make me feel so oh
You make me feel so
Beautiful
It doesn t matter
No, it never matters if we re out or home
We can make hours into years
Wherever you go you re always here
It s like I ve known you from before
But I m just so happy you walked through my door

Everywhere you go is everywhere I've been
You finish all my sentences before they begin
And I know that look in your eyes
It s like I ve seen you before about a million times

In another life, in another life maybe
In another life you must have been mine

B5 **D5**
I m breathing you in, I m breathing you out

G5
You re all around me

B5 **D5**
No matter what we do

Em **F#m**
I wanna spend my life with you

G **A**
Only you

Do you love me, oh do you love me
Say you love me, oh say you love me

Everywhere you go is everywhere I've been
You finish all my sentences before they begin
And I know that look in your eyes
It s like I ve seen you before about a million times
In another life, in another life maybe
In another life you must have been mine

And I know that look in your eyes
It?s like I've seen you before about a million times
In another life, in another life maybe
In another life you must've been mine

Do you love me, oh say you love me
