Am I the reason why you tossed and turned last night?
Everything s such a blur, it didn t come out right.
All of the sudden it s cold and we re falling apart.
No this can t be, please don t leave me alone in the dark.

And I guess we re really over, so come over, i m not over it.
And I guess we re really over, so come over, i m not over it.

Late night you make me feel like i m desperate, I m not desperate.
Em C G

I ve never been a fan of long good-byes.
I m at the finish line and you re just way too far behind.
In the morning I got in a fight with myself, I got the
bruises to prove it.
Then I swallowed your words and spit them right back out.

And I guess we re really over, so come over, i m not over it.
And I guess we re really over, so come over, i m not over it.
Late night you make me feel like i m desperate, I m not desperate.
Oh, a little bit possessive, little miss obsessive, can t
get over it.
No.

It s like a fairy tale without a happy ending (happy ending).
But then again maybe we are just pretending.
Why does it have to be so unfair?
Tell me that you care.

And I guess we re really over, but come over, i m not over it.
And I guess we re really over, so come over, i m not over it, oh.

Little miss, little miss, little miss, little miss obsessive. x2

Late night you make me feel like i m desperate, I m not desperate.
Oh, a little bit possessive, little miss obsessive, can t
