This empty page		

C#	B
Hold on, its tragic	
A	B
Stumbling through all this static	

E                    B  
 I just wanna talk to you  
       E                    B  
 And my broken heart just has no use  
       C#                    B                    A    B  
 And I, I guess promises are better left unsaid, yeah  
 E                    B  
       Every time you try to tell me  
 E                    B  
       Say the words that I m the only  
 C#                    B                    A  
       But I m the one who s crawling on the ground  
                          B                    E  
 When you say love makes the world go round  
  
 E                    B  
 My love, look at what you ve done to me  
       C#                    B  
 For someone who has felt so strong  
                          A                    B  
 It s amazing I m completely gone  
  
 C#    B  
 Hold on, its tragic  
 A                    B  
       Stumbling through all this static  
  
 E                    B  
 I just wanna talk to you

 E                    B  
       say the words that I m the only  
 C#                    B                    A  
       But I m the one who s crawlin on the ground  
                          B                    E  
 When you say love makes the world go round  
  
 E                    B  
 I guess the kind of love you give me  
 E                    B  
 I d rather be alone, believe me  
 C#                    B  
 Is that the way you re posed to treat me  
 C#                    E    F#  
 I d rather walk away

E                    B  
I just wanna talk to you  
E                    B  
my broken heart just has no use  
C#                    B                    A    B  
And I, I guess promises are better left unsaid, yeah  
E                    B  
Everytime you try to tell me

When you say love makes the world go round

B                    E  
You say love makes the world go round  
E                    B  
Every time you try to tell me  
E                    B  
I dont care you re not the only  
C#                    B                    A  
Dont you know I m coming back around  
                  B                    E  
Cuz I say love makes the world go round, yeah  
                  B  
Cuz I say love makes the world go round
