

Say Goodbye

Ashlee Simpson

I was listening to it once, and i just started getting the right tabs. I m not sure if this tab is totally right, but most of it is. So just leave a comment saying how you think it might be better. Go easy on me cause this is my first tab. Here it is!

Intro: **A, G** x2

Verse:

A G A G
You don t know me, like you, knew me
A G D G
you stopped listening, the moment that I needed you the most
A G
you can t see me, like you saw me,
A G D G
truth comes easy, but it s hard for you to pull me from the ground

Chorus:

D G D
So I scream, scream cause it hurts, your every word,
A G D G
cuts me inside and leaves me worse, there s no way back,
D A G A
but if there was, you would be you and I d still need, to say good-bye

Verse:

A G A G A G
Maybe you don t, love me, like i love you baby,
D G
cause the broken in you doesn t make me run,
A G A G
there is beauty, in the dark side,
A G D G
I m not frightened, without it I would never feel the sun.

Chorus:

D G D
So I scream, scream cause it hurts, your every word,
A G D G
cuts me inside and leaves me worse, there s no way back,
D A G A
but if there was, you would be you and I d still need, to say good-bye

Bridge:

A D G

Nothing will change no matter what you say,

D

I m still gonna be the same,

A
