Say Goodbye Ashlee Simpson

D

I was listening to it once, and i just started getting the right tabs. I m not if this tab is totally right, but most of it is. So just leave a comment saying you think it might be better. Go easy on me cause this is my first tab. Here it Intro: A, G x2 Verse: You don t know me, like you, knew me you stopped listening, the moment that I needed you the most you can t see me, like you saw me, truth comes easy, but it s hard for you to pull me from the ground Chorus: So I scream, scream cause it hurts, your every word, cuts me inside and leaves me worse, there s no way back, Α but if there was, you would be you and I d still need, to say good-bye Verse: G G Α Maybe you don t, love me, like i love you baby, cause the broken in you doesn t make me run, G Α there is beauty, in the dark side, I m not fightened, without it I would never feel the sun. Chorus: D So I scream, scream cause it hurts, your every word, cuts me inside and leaves me worse, there s no way back, but if there was, you would be you and I d still need, to say good-bye Bridge:
