Ashley Monroe

Capo 2

D **A**
Has anybody ever told you
G
They'd be lucky just to know you

How many nights spent wishing they could hold you

That when you walk into a dark room
G
The light of a thousand moons surround you

Yeah there's just something about you
A **D** **D7**
Has anybody ever told you

G **F#m**
Baby you don't have to try
Em **D** **D7**
Your light just shines on its own
G **F#m**
And when I stand beside you
Em **D** **A**
I just wanna hold on

D **A**
I don't know how to explain it
G
Oh but you keep my sky from raining
D
Yeah and you turn the gray to bright blue
A **D**
Has anybody ever told you

(**A D A G D**)
(**G F#m Em A D D7**)

G **F#m**
Baby you don't have to try
Em **D** **D7**
Your light just shines on its own

And when I stand beside you
