

You Got Me
Ashley Monroe

No Capo

Intro: **Am**

Am I lay down to sleep at night until the craving for you wakes me up **F**

Am I reach out to grab you, gotta have you, yell until I had enough **F**

Am And you got me now, yeah yeah **Gm**

F And you got me now

Am We can lock the world outside, close my eyes, give in and then we ll fly **F**

Am You re a secret that I m gonna try to keep until the day I die **F**

Am And you got me now, aah aah **Gm**

F And you got me now

Dm You always want me, you run straight for me **G**

C Down the mountain like a raging fire **E**

Dm And the storm is coming, I can hear the warning **G**

C I know you re a lie **E**

Am But you got me now, yeah

F Oh oh, you got me now

Am I m getting good at letting these excuses roll so easy off my tongue **F**

Am And you re getting good at making me feel nothing while I m hurting everyone **F**

Am But you got me now, yeah yeah **Gm**

F You got me now

Dm You always want me, you run straight for me **G**
