E5

[Verse] **B5 B/A#5 B5 E5**

If you can hear me
And know that im right here
I heard your heartbeat
It took away the fear

G#5 F#5 B5 E5

Cuz my life is sliding
I tried to ride the wave
It came down crashing, it s time to start again

C#5 B5 E5 F#5

Backwards to go forward
Left at every corner
Been there and back again
And when the music ends

[Chorus] **E5 B5 F#5 F#5**

Your life is a flashback
A question, a photograph
A statement, a story, a struggle
A chance to laugh
Cuz if you don t laugh you cry
A last crescendo when you die
So hit the rewind and listen
It s the playback

E5

The soundtrack to your life

[Verse] **B5 B/A#5 B5 E5**

First step, your last breath

Everythings been planned
There s questions, and answers
You ll never understand

I hold on, but let go
I give you room to breath
Remember, the best things
Will never mind to change

C#5 B5 E5 F#5

Starting at the ending
It won t break, while your bending
Been there, and back again
And when the music ends

[Chorus] **E5 B5 F#5 F#5**

A question, a photograph
A statement, a story, a struggle
A chance to laugh
Cuz if you don t laugh you cry
