

End Of The World

Asia

[Intro] Am F G Am F G
Am F G Am F G
Am G/B C

Am G
Buildings burning, blazing in the night
F C
Searchlight sweeping, laser beams of light
F C Am G
Desolation, smoke has filled the sky
F
Siren wailing, who can hear my cry?
Dm G/B F C
So the darkness leaves me never
Dm G/B Bb C F
And the grinding wheels are turning ever

C Dm
I believe that God is love, and that s enough
G F
To keep the evil demon away
C Dm
Don t say I don t matter at all I will stand or I ll fall
G F
You re the most important call that I make
C
When I face that veridct today
Dm G
Though it s Auto-da-Fe? I ll say it s really not
Am
The End of the world

F Am G
When I was young I was the golden son
C G F C
People said, I was the chosen one
Am G
And I knew I must walk like a man

F
Never fail, and do the best I can
Dm G/B F C
When I see that light come shining
Dm G/B Bb C F
When I feel the sacred spirit rising

C

Dm

I believe that God is love, and that s enough

G

F

To keep the evil demon away

C

Dm

Don t say I don t matter at all I will stand or I ll fall

G

F

You re the most important call that I make

C

When I face that veridct today

Dm

G

Though it s Auto-da-Fe? I ll say it s really not

Am

The End of the world
