Intr: G D F C (2x)

G D
I heard you on the radio
F C
Some other time
G D
From some forgotten studio
F C
Way down the line
Am Em F
So long, so long I've waited now

To hear you again
Am E F
That song, that song will still remain

It's become an old friend
G E Am
And now, the tears are in my eyes

The truth comes back from lies

C G F Am G
Voice of America, ooh, America
C G F Am G F Em Dm G C
Voice of America, ooh, America

That sound, still ringing in my ears

From a decade ago

Around, around my head, the sound from my radio

The tears, the growing fears
