D

```
Send Me Home
Asking Alexandria
[Intro]
G C Em D
G C Em D
[Verse 1]
 A stranger to most, but everyone knows his name
 The city he wakes up in is never the same , never the same
G
  It gets hard to count the days with only stars to lead the way
And in his heart of gold he knows this has to change
[Prechorus]
Whoa-oh-oh
Whoa-oh-oh-oh
[Chorus]
So send me home, I have lost my way
And I don t even know if we ll make it through today
Take another step, take another breath
I fill my lungs with deepest regrets
And I don t know if I ll make it home again
[Verse 2]
  It gets a little harder day by day
The loneliness is swallowing me
  I listen to the silence to hear what it might say, hear what it might say
Who will pick me up again?
I need you here, I need a friend
We ll get lost on time that s stolen
```

```
[Chorus]
So send me home, I have lost my way
                                                D
And I don t even know if we ll make it through today
Take another step, take another breath
I fill my lungs with deepest regrets
And I don t know if I ll make it home again
[Bridge]
Take, take, take all that I ve got, got, got
All I need is one more moment
I just have to end this torment
Take, take, take all that I ve got
We ll get lost on time that s stolen
Take my hand and lead me home again
[Break]
Whoa-oh-oh
Whoa-oh-oh-oh
Whoa-oh-oh
Whoa-oh-oh-oh
Naananana, Naananana, Naananana, Naanananaa
Naananana, Naananana, Naananana, Naanananaa
[Chorus]
So send me home, I have lost my way
And I don t even know if we ll make it through today
Take another step, take another breath
                     Em
```

I fill my lungs with deepest regrets  $% \left( 1\right) =\left( 1\right) \left( 1\right) \left($
