A

Looked a lot like Evangelista

E

Strange to think I d ever miss her soo

A

Never got to meet her sister

E

She was young and I was far too old

D A

Was this love. Superficial Love

E E7

Was it me

D A

I had a superlove experience

E

When I was seventeen

Chorus:

B A

I d like to fly, I ve got to try

I ve got to find a way out but

G

Here comes Lucy Jones

Man how she?s grown

B7

Bet she gives it away

Play intro chords

Verse 2

Now she looks like Monday morning

Waiting patiently she tells me so

Years they seem to go so fast I

Wish there was a moment I could hold

Was this love...

Chorus.

A

I m so glad she found me

G

I still love her madly now

A

She's so cold and boring
Got to go to church every Sunday morning

G

I think she's married now
With a car and a house
A (hold chord)
And she's one on the way
