 $\mathbf{Bm} \times 2 \qquad \qquad \mathbf{A} \times 2$

If it fits in a box was it a waste of time?

 $\mathbf{D} \times 2$ $\mathbf{G} \times 2$

Do you deserve how cold you feel right now?

Bm x2 **A** x2

What have you learnt? Did you stop to write it down?

You never needed anyone but you need someone today.

When it all breaks down. When it all breaks up.
