C#	--5-----5---5-----3---5-----1---5-----5-----			

**F#m**

Bein thrown out at birth,

**E**

is my cursed luck

**D**

Everybody didn t understand,

**F#m**

I was bein set up

**F#m**

The second day I was found

**E**

By a bloody blood hound

**D**

From a distant day

**F#m**

And he was lost and found

Chorus

**F#m**

From a ghost to a ghost

**E**

That s how it goes

**D**

Looking for another way

**F#m**

that we lived be-fore

**F#m**

From a ghost to a ghost

**E**

Yeah we know how it goes

**D**

When you re on the out-side

**F#m**

with the ones that know

(break)

On the third day I stand

Torn apart by crows

Found the secrets of the bottom

That no one knows

Well I ve seen it all,

And I ve done it before

I died a long time ago,

In that worn out war

(chorus)

Watchin rot-got whiskey,

drownin all my friends

Sailin on this lonely sea,

Where no one wins

Yea and I seen it all

Hell, I done it before

I died a long time ago,

in that worn out war

Shady eyes and used up words

and doin without a doubt

Wasn t too much time alone

That made you wanna find out

(Chorus)
