I A Rebel Soul
Aswad

C#m, **E**, **A**, **G#m** repeat with pattern: **C#m** / // **E** / // **A** / // **G#m** / //, continuous

lyrics need some help...

I a rebel soul, (repeat several times...)
 Give me lite to briten up my day, give me health and strength so I can make, my own way.
As the darkness of the nite fades away, the sun begins to shine, I see my freedom over yonder.
   But they steal it away, yes they steal it away.

So I a Rebel Soul, ye I a RS, (repeat several times)

To save my face, shave of disgrace, I keep laughing like a clown,
 stripped of all identity, I am bare beneath the stares,
 but you can t walk with your head on down for you just can t see,
 which way to go (repeat)

So I a RS, I a R, a R, I a born a R, I a RS (repeat)

solo

Though transgression? frustration? finds me, I m confused by the ???
   My captors mesmerize me all to, to bring me down,
still we are the children of the father, and he expects I and I
to push on through, to push on through (repeat)
So the real identity I can find, so JAH, JAH,
 I can be free (repeat 3 times)
A rebel, a rebel, a rebel etc. I be a rebel soul...

Face reality, the bottom will be Dread, heavy like lead,
 and the jester will run out of time...
 Our backs against the wall, and they don t mind if we fall,
 yes they ll use you, and abuse you, try their best to confuse you...

A Rebel Soul, I a RS (repeat) if you no rebel, then I no know (repeat and fade)..

not perfect, hope you find it well.
