What I Didn't Know - Athenaeum

Intro: Drums--

B-G#m-F#-E (4x)

(B-G#m-F#-E)

I complain when nothing's even wrong
And you're ashamed because you're not quite that strong

(F#-G#m-E-F#m)

That's when I said I'll need
More than you can offer me
But I miss your face as you can tell
I hope my absence makes you well

(B-G#m-F#-E)

Cause what I didn't know
Is I was killing you
I said a lot of things
That I didn't mean to
But I am older now
And I am sorry too
So I can wait awhile
If it brings me back to you

(B-G#m-F#-E)

When I am shy
I never speak a word
And you are numb
From all the things you never heard

(F#-G#m-E-F#)

That's when I said I'll need
More than you can offer me
But now I own an empty space
And I can't fill it with your face

(B-G#m-F#-E)

Cause what I didn't know
Is I was killing you
I said a lot of things
That I didn't mean to
But I am older now
And I believe in you
So I can wait awhile
If it brings me back to you
