Ordinary Angel Athlete (intro) E C#m B A You say it wrong You say it strange You speak a language I can t translate You say it now C#m While the story s young And all the melody Before the song is sung (refrão) You and I both know You re no ordinary angel Riding on the highway C#m You re no ordinary angel Е C#m Drifted off into a golden sky Leaving us to any danger I heard your voice all C#m But you re hundred yards away And I ran right back into the feeling shy (refrão) You and I both know You re no ordinary angel

Riding on the highway

C#m

You re no ordinary angel

A

В

You and I both know

C#m

You re no ordinary angel

Α

B

Riding on the highway

C#m

You re no ordinary angel

(ponte)

D#

I see you smiling

Α

C#m

At the end now

В

At the end now

D#

I see you smiling

C#m

At the end now

Α

В

At the end now

(refrão)

Α

В

You and I both know
