C **Em** **Am** **G**
Let s fall in love again, tap the windows and rescue our friends
G **Am** **C** **G**
How long til this makes sense, oh, oh
C **Em** **Am** **G**
Let s fall in love again, guard the windows and rescue our friends
G **Am** **C** **G**
How long til this makes sense, oh, oh

(refrão)

F **C**
It s calling out loud and it s taking over
Am **G**
Bleeding right out of the summer sky
F **C**
It s calling out and it s taking over
Am **G** **F** **C**
We give it our all, so we don t know why we can t slow it down
Am **G** **F** **C** **Am** **G**
It s way too fast, slow it down, it s way to fast
F **C**
We re going on a search in some second hand stores
Am **G**
Gotta get back what we all threw away
F **C**
We re going on a search in the middle of nowhere
Am **G** **F** **C** **Am**
We don t know what we re doing but we gotta just give it a go
G **F** **C** **Am** **G**
We gotta just give it a go

Let s fall in love again tap the windows and rescue our friends
How long til this makes sense, oh, oh
Let s fall in love again, guard the windows and rescue our friends
How long til this makes sense, oh, oh

(ponte)

Am **F**
Now let s sing this song again, cause it s been messed up for years
C **G**
And let s make it ours aga-aaaaain
Am **F**
Desperate like rainforest trees, straining towards broken light
C **G**
All fighting for their lives
Am **F**
Let s sing for Canada, cause that s where this song began
