

**Superhuman Touch
Athlete**

(intro 2x) C Am G

I m on fire, and nothing s gonna hold me back
C Am G C Am G
Endless blue sky, and a pocketfull of tricks to try
C Am G
You pick a colour and I ll sing it for you, I know you feel the same way
C G
Say say, say you feel the same way...

(refrão)

F G Am
Fingertips alive - Superhuman touch
Am G F
Can t get enough of this electric love
F G Am G
Burning the sun with just a wave of your hand
F G Am
Sparks flying out in every direction
Am G F
There s more of this to come, I think it must be heaven
F G Am G
Burning the sun with just a wave of your hand

C Am G C Am G
I m on fire, golden echoes upon my face
G C Am G C
Tell those dreamers, they can dream up all they like in this place
F G Am C
You pick a colour and I ll sing it for you, I know you feel the same way
C G
Say say, say you feel the same way...

(refrão)

F G Am
Fingertips alive - Superhuman touch
Am G F
Can t get enough of this electric love
F G Am G
Burning the sun with just a wave of your hand
F G Am
Sparks flying out in every direction
Am G F
There s more of this to come, I think it must be heaven
F G Am G
Burning the sun with just a wave of your hand

F G Am G
Just one day like this will keep me going on
F G F G
Tender kisses will keep me going on

(refrão)

F G Am
Fingertips alive - Superhuman touch
Am G F
Can't get enough of this electric love
F G Am G
Burning the sun with just a wave of your hand
F G Am
Sparks flying out in every direction
Am G F
There's more of this to come, I think it must be heaven
F G Am G
Burning the sun with just a wave of your hand

F G Am G
Seems like hell has broken loose, it couldn't be more beautiful
F G Am G
I just want to burn the sun with you
F G Am G
A messed up garden to inspire the greatest minds in all their power
F G Am G C
I just want to burn the sun with you...with just a wave of your hand.
