G
It s the simple things
Am **CG**
like the road what Stevie G draws
G
and the ease with
Am **CG**
which you seem to pull those tricks
G
There are moments of
Am **CG**
escape for everyone of us
G
and the beauty in
Am
the times that we create
Am
I saw you smilin

G **D** **Am** **C**
and I need my vehicles and animals and
G **D** **Am** **C**
I will be alright
G **D** **Am**
and take me back to 1979 so i can
Em **G** **D**
find my open eyes

He can play all by himself for many hours
I have never seen a kid whose so content
and there is nothing from the outside that can touch him
cos he s just learning how to be alone with 1
I saw you smilin

Chorus x2

G **D** **Am** **C**
Lying down on my bed I just got another kick to the head
G **D** **Am** **C**
oh yeah your a part of me yeah another branch on the family tree
G **D** **Am** **C**
salt on my fingers, salt in my cuts, salt on my face, salt in my guts
G **D** **Am** **C**

We ve got our vehicles and animals so

because we found our open eyes x2
