```
   D#m
You got wires going in
C#
You got wires coming out of your skin
D#m
You got tears making tracks
C#
I got tears that are scared of the facts
G#m
Running down corridors through automatic doors
D#m                C#
Got to get to you, got to see this through
G#m
I seen hope is here in a plastic box
D#m              C#
I seen Christmas lights reflect in your eyes

D#m
You got wires going in
C#
You got wires coming out of your skin
D#m
There s dry blood on your wrist
C#
Your dry blood on my fingertip
G#m
Running down corridors through automatic doors
D#m              C#
Got to get to you, got see this through
G#m
First night of your life curled up on your own
D#m              C#
Looking at me now you will never know

G#m                      D#m
I see it in your eyes I see it in your eyes
F#       C#
You ll be alright

G#m                      D#m
I see it in your eyes I see it in your eyes
F#       C#
You ll be alright
G#m       C#
Alright.
