

Pehli Nazar Mein
Atif Aslam

Ok, this is the first song Iâ€™ve tabbed on this site.
Itâ€™s a lovely song, shame that it isnt an original composition of Pritam.
Like the way Atif sings it though.
I got the lyrics from online so I ve not read them to find
errors in them :(

The chords in the intro sound accurate if F#min is played at the 9th fret and
then move
up towards the nut as you play the other chords. Or theyâ€™re gonna sound a bit
off!

Intro:

F#m/D/E/C#m/D/D
D/E/F#m/D/E/C#m/Bm/Bm

Note: IMO F#min7, Dmaj7 & Bm7 sound good too instead of F#m, D & Bm in the
intro. Also
notes of the chords in the intro are played over the entire first verse if you
listen to
song.
