

Im Not Gonna Let It Bother Me Tonight
Atlanta Rhythm Section

C **G** **D**
I picked up the paper this morning
C **G** **D**
And read all the daily blues
F **G** **Am**
The world is one big tragedy
F **G**
I wonder what I can do

About all the pain and injustice
About all of the sorrow
We re living in a danger zone
The world could end tomorrow

C **G** **D**
But I m not gonna let it bother me tonight
C **G** **D**
I m not gonna let it bother me tonight
F **G** **A#m**
Tomorrow I might go as far as suicide
C **G** **D**
But I won t let it bother me tonight

Life on the street is a jungle
A struggle to keep up the pace
I just can t beat that old dog eat dog
The rats keep winnin the rat race

But I m not gonna let it bother me tonight
I m not gonna let it bother me tonight
The world is in an uproar and I see no end in sight
But I won t let it bother me tonight

I m not gonna let it bother me tonight
Tomorrow I might go as far as suicide
But I won t let it bother me tonight

Lord, Lord, Lord
We got nothing but trouble
I ve done all I can do today
So bartender pour me a double, right now

But I m not gonna let it bother me tonight
I m not gonna let it bother me tonight
The world is in an uproar and I see no end in sight
But I won t let it bother me tonight

I m not gonna let it bother me tonight
No I m not gonna let it bother me tonight
Tomorrow I might go as far as suicide
But I will not let it bother me tonight
