

## 63 Days

### Atlas Genius

[Primeira Parte]

**E** **C#m** **G#m**  
Now I m packing to leave you for 63 days  
**E** **C#m** **G#m**  
And you think I won t miss you in six million ways  
**E** **C#m** **G#m**  
And the time of your life, spent wondering why  
**E** **C#m** **G#m**  
I don t call when I promise to  
**A**  
Ooh, in the doorway

[Refrão]

**E** **C#m** **G#m**  
I told you I would race  
**A**  
Home when you need me  
**E** **C#m** **G#m**  
In for the long chase  
**A**  
I ll make you believe

**E** **C#m** **G#m**  
I told you I would race  
**A**  
Home when you need me  
**E** **C#m** **G#m**  
In for the long chase  
**A**  
I ll make you believe

[Segunda Parte]

**E** **C#m** **G#m**  
Now I know what you need cause our fears are the same  
**E** **C#m** **G#m**  
If we shake down the pretense, it s all a parade  
**E** **C#m**  
Cause I m still by your side  
**G#m**  
I m still wondering why  
**E** **C#m** **G#m**  
I don t call when I promise to  
**A**  
Ooh, in the doorway

[Refrão]

**E C#m G#m**  
I told you I would race  
**A**  
Home when you need me  
**E C#m G#m**  
In for the long chase  
**A**  
I ll make you believe

**E C#m G#m**  
I told you I would race  
**A**  
Home when you need me  
**E C#m G#m**  
In for the long chase  
**A E**  
I ll make you believe

[Ponte]

**B C#m G#m A**  
With all the places that we go  
**B C#m G#m A**  
And all the faces that we show  
**B C#m G#m A B**  
When you need me I ll be home

[Refrão]

**E C#m G#m**  
I told you I would race  
**A**  
Home when you need me  
**E C#m G#m**  
In for the long chase  
**A**  
I ll make you believe

**E C#m G#m**  
I told you I would race  
**A**  
Home when you need me  
**E C#m G#m**  
In for the long chase  
**A**  
I ll make you believe

**E C#m G#m A**  
I told you I would race  
**E C#m G#m A**  
I told you I would race

**E**            **C#m**        **G#m**    **A**  
I told you I would race  
**E**            **C#m**        **G#m**  
I told you I would race  
**A**  
Home when you need me
