**It´s ok**
**Atomic Kitten**

```
   D
I remember all the nets I use to stay at home
A
on the phone, all night long
        Bm
use to talk about the things you really wanna do
G     A
 I believed in you
     D
I remember how you used to say
 A
have no fear, be ok
          Bm
when you told me anything you want is possible,
G         A
  we could have it all
D
I believe in you,
A
I must have been a fool
Bm                        G  A
All my dreams were with you-ou
(Chorus:)
          D
I say it´s  ok I can promise you
    A
it´s  allright you ain´t keepin`
   Bm               G
me up  all night, no more
                      D
You´re not here, but it´s ok
                     A
I am show you baby, it´s  allright
                  Bm               G
You ain´t keepin` me up  all night, no more
 A                       D    D  A
You´re not here, but it´s  ok
          D
Well now you got to way you want it like a new you on
 A
cash, car, house it´s so good
         Bm
It´s the why you never come around here no more,
G         A
 like you did before
```

```
D
 Got it all, it´s the way it seems
 A
looks like you, live your dream
      Bm
And I hope you´ll ever turned a full of better now,
G         A    D
 when I´m not around
                 A
I believed in you, must have been a fool
Bm                           G   A
 All my dreams were with you -ou
(Chorus:)
          D
I say it´s  ok I can promise you
     A
it´s  allright you ain´t keepin`
    Bm            G
me up  all night, no more
                        D
You´re not here, but it´s ok
                      A
I am show you baby, it´s  allright
                  Bm              G
You ain´t keepin` me up  all night, no more
 A                    D    D  A
You´re not here, but it´s  ok

D                                      A            Bm
It´s allright and It´s ok and It´s allright and It´s ok and
        G            G-A
It´s allright and It´s ok

D                                      A            Bm
It´s allright and It´s ok and It´s allright and It´s ok and
 G         A        D
You´re not here with me

(Chorus:)
          D
I say it´s  ok I can promise you
     A
it´s  allright you ain´t keepin`
 Bm              G
me up  all night, no more
                    D
You´re not here, but it´s ok
                      A
I am show you baby, it´s  allright
                  Bm              G
You ain´t keepin` me up  all night, no more
 A                  D
You´re not here, but it´s  ok
```

```
D                                      A
 It´s allright and It´s ok and It´s allright and It´s ok and
Bm
 It´s allright and It´s ok
 G        A        D
You´re not here with me

D                                          A              Bm

 It´s allright and It´s ok and It´s allright and It´s ok and
 G        A          D
You´re not here, but it´s okay
```
