

## Coffin Nails

Atreyu

This sounds right with the song, but if you want to play it differently or switch chords around, do whatever you think sounds better. This is the way that sounds the best to me.

Intro: **Em, G, D, Am** x2

**Em**

Donâ€™t give a shit about it

**G**

Curl up, I start to doubt this

**D**

**Am**

Something has died in me today

**Em**

I need some air around me

**G**

Claw walls until my nails bleed

**D**

**Am**

Donâ€™t seal my coffin shut today

**Am**

Coffin nails

**C**

So hard to pull

**Am**

**C**

**D**

**Em**

How can I break free?

**Em**

From the ties that hold you down

**G**

From the grips of loneliness

**Am**

**C**

**D**

Theres something missing in my life that I m running after

**Em**

Never meant to be held down

**G**

All I need is home right now

**Am**

**C**

**D**

Theres something missing in my life that I m running after.

**Em**

Self-doubt breaks down my resolve

**G**

It cripples a part of my soul

**D**

**Am**

And masterfully I ll hide my pain

**Em**

Dead eyes, a hollow smile

**G**

Pitch black, my vision is gone

**D**

**Am**

And masterfully I ll hide my pain.

**Am**

Coffin nails

**C**

so hard to pull

**Am C D Em**

how can I break free?

**Em**

From the ties that hold you down

**G**

From the grips of loneliness

**Am**

**C**

**D**

Theres something missing in my life that I m running after

**Em**

Never meant to be held down

**G**

All I need is home right now

**Am**

**C**

**D**

Theres something missing in my life that I m running after.

**G, Am, C, D#, F**

**G**

**Am**

These coffin nails

**C**

Are keeping me

**D#**

**F**

from the only thing I love

**D#**

**F**

This monster is holding me

**D# F G Am**

How will I break

**Em**

From the ties that hold you down

**G**

From the grips of loneliness

**Am**

**C**

**D**

Theres something missing in my life that I m running after

**Em**

Never meant to be held down

**G**

All I need is home right now

**Am**

**C**

**D**

Theres something missing in my life that I m running after.

Outro: **G**
