

Lead Sails And A Paper Anchor
Atreyu

By Marky

This song is great, and this is an alternate way from the drop C to play it and I think sounds really good

VERSE 1:

```
Em                D                C
Marching along, like a good soldier does,
                Esus4
I m setting sail, With anchors holding me down,
Em                D                C
Pack up my bags, stow them away (Stow them away),
                Esus4
I m bidding farewell to all that is safe,
```

CHORUS:

```
C                D
Will I come up for air? come up for air,
Am                Em
After a while the current is calling me,
Bm                Em
Lulling me, waving goodbye,
Am                Em                Bm

Sinking, my heart turns to stone,
Em, D, C, Esus4
```

```
Em                D                C
Withering away, a shrinking violet dies,
