Album: years (by one thousand fingertips)

Capo 3: All Chords Relative to Capo

**C      F|C      F|**

**C                  Am                  F          C**  
Leaving your dawn so that I can sleep

**C                  Am                  F          C**  
Leaving your dawn so that I can sleep

**C                  Am                  F    G    C**  
Leave me in your garden now

**C                  Am                  F    G    C**  
Leave me in your garden now

**Am    G   C   Am    G    C                  G                  Am                  C**  
Leave me dreaming underneath the blossom of your fragrance this spring

**C      F|C      F|**

**C                  Am                  F          C**  
Leaving your death in a flowerbed

**C                  Am                  F          C**  
Leaving your death in a flowerbed

**C                  Am                  F          G          C**  
Leave me come your dawn, dear, now

**C                  Am                  F          G          C**  
Leave me come your dawn, dear, now

**Am    G   C   Am    G    C                  G                  Am                  C**  
Leave me dreaming underneath the blossom of your fragrance this spring
