INTRO " G, D

VERSE

**G**  
Outside, it s windy and stormy weather,  
**D**  
Don t cry, you ve already cried a river,  
**G**  
Feel like, Maybe I m feeling bitter,  
**D**  
Fall down, now all I can do is shiver,

CHORUS **A**

**G** **Am**  
God, I ll be a better man,  
**D** **C**  
Never let her down try and understand,  
**G** **Am**  
God, I ll be a better guy,  
**D** **C**  
Always been a fool for all the fools going by,

VERSE 2

**G**  
So long, I have to get my jacket  
**D**  
This queue, feels like I m caught in traffic,  
**G**  
The doubt starts to hit me like rain,  
**D**  
I ll never see her again,

CHORUS **B**

**G** **Am**  
God, why did you let me down  
**D** **C**  
Standing all alone in the centre of town  
**G** **Am**  
God, you just let me drown,  
**D** **C**  
Making me feel hopeful when there s no-one around

SOLO " G, D, G, D

CHORUS A

**G** **Am**  
God, I ll be a better man,  
**D** **C**  
Never let her down try and understand  
**G** **Am**  
God, I ll be a better guy  
**D** **C**  
Always been a fool for all the fools going by,  
**C** **Eb**  
Fools going by....

MIDDLE 8

**G** **D** **C** **Eb**  
I waited outside for her, she never waited for me  
Waited outside for her, she never waited for me  
Waited outside for her, she never waited for me  
Waited outside for her, she never waited for me  
Waited outside for her, she never waited for me  
Waited outside for her, she never waited for me  
**C**  
She never waited for me  
**Eb**  
She never waited for me  
**F**  
She never waited

VERSE 3

**G**  
Outside, It s windy and stormy weather,  
**D**  
Don t cry, you ve already cried a river  
**G**  
Walk past, all of the drunken steamers,  
**D**  
Like me, broken and tired dreamers,

CHORUS B

**G** **Am**  
God, why did you let me down  
**D** **C**  
Standing all alone in the centre of town  
**G** **Am**  
God, you just let me drown,  
**D** **C**  
Making me feel hopeful when there s no-one around  
**C** **Eb**  
No-one around....
