

Stars

Au Revoir Simone

Intro: **A D A D**

A **D**
And since we met I simply cannot forget

A **Bm**
You are on my mind

A
Yeah since the day we met

D
I think I haven't slept

A **G**
More than an hour at a time

CHORUS

E **A**

You make wanna measure stars in the backyard

D
with a calculator and a ruler baby

E **A**
I found a letter that describes

D
how the moonlight will lead me to the distant place that you will be

A **D**
I don't know how but there's a power

A **Bm**
For now, it conveys a subtle mystery

A
And from my house

D
As I look out

G
The stars align

CHORUS

E **A**

You make wanna measure stars in the backyard

D
with a calculator and a ruler baby

E **A**
I found a letter that describes

D
how the moonlight will lead me to the distant place that you will be

The open sky

A

Is mine tonight

D

It gives a sign

Dbm

E
