I wake up every morning, a smile is on my face
                   B   **E**
The sun is shining brightly, as you re laying next to me
                              G#   **Cm#**
I know that I have my flaws, but you see me perfectly
              B   **E**
These butterflies go crazy whenever I hear your name
              G#   **Cm#**
Why do you love me? The feeling is so new
                 B   **E**
Before you came the sky had never seemed so blue
                 G#   **Cm#**   **B**
La la la la la la, la la la la la la la, la la la la la la
                 E   **G#**
Cause when I m having a bad day, bad day I go crazy,
                 Cm#   **B**
Crazy bout you baby, do you feel the same way? Yeah,
                         E   **G#**   **Cm#**
When I m having a bad day, la la la la la la, crazy, la la la la la la, baby, la
la la la la la
                 E
Do you feel the same way?

G#   **Cm#**   **B**
