Verse
```
F               C           G        Am
You showed your grace right from the start...
      G                F
and I cry out for your love...
```

Chorus
```
C                           G
Pour out your spirit on us, pour out your power on Earth
Am                       F
we re standing under an open heaven
```
