

Believer

Audio Adrenaline

C **Em** **Am** **F**
I want to live this live unsafe, unsure, but not afraid

C **Em**
What I want is to give all I got somehow

Am **F**
Giving up letting go of control right now

C **Em**
Cause I m already out here, blind but I can see

Am **F**
I see the way You re moving, God how I believe that

Am **F** **C**
I can push back the mountains, can stand on the waves

G **(E)**
I can see through the darkness, I ll hold up the flame

Am **F** **C**
Take me to the ocean I want to go deeper

G **Ab** **F**
I m not afraid no, I m a believer

C **Em** **Am** **F**
And so I lose this life to find my way and come alive

C **Em**
They can try to deny what s inside of me

Am **F**
But there is more, can t ignore all the things unseen

Oh I believe I can walk on water with You, Lord

C **Em**
Cause I m already out here, blind but I can see

Am **F**
I see the way You re moving, God how I believe that

Am **F** **C**
I can push back the mountains, can stand on the waves

G **(E)**
I can see through the darkness, I ll hold up the flame

Am **F** **C**
Take me to the ocean I want to go deeper

G **Ab** **F**
I m not afraid no, I m a believer

C
When I walk through the valley of the shadows
