G D/F# A Bm

You and me were meant to be

G D/F# A Bm

A little lower than the angels

G D/F# A Bm

And on this ground I have found

G D/F# A Bm

Finally found the reason

G D/F# A Bm

To sing glory...

I long to walk hand in hand
Down a golden road with Father
Where choirs of angels praise His name
I want to learn

To sing glory
And I can't find the words to say
Life gets in the way
Lord You know my hearts desire
