I Climb the Mountain
Audio Adrenaline
Key of D

Intro: **Bm A Em G Bm A**

Bm

Why try and keep you a secret

A

Why be blinded by the night

Em

G

There are 7 billion people but it's a lonely world

A

Why wouldn't I let you see the light

(Verse 2) (Same as Verse 1)

Bm

Why would I hide you in the shadows,

A

When this flame is dying for a hill

Em

Say what they want about the straight and narrow

G

But it's the bends and curves that kill

(Pre-Chorus)

Em

G

D

Cause it only takes a spark to set the heart on fire

(Chorus)

A

Em

I climb the mountain and I'll hold the light until

G

We are a city on a hill, city on a hill

A

Em

We'll walk together and we won't let go until

G

We are a city on a hill, city on a hill

(Repeat Chorus pattern for Oh's)

(Verse 3) (Same as Verse 1 and 2)

Bm

Why am I so scared of conversations,

A

am I so sure Iâ€™ll turn you off

Em

Maybe if you knew the whole story,

G

youâ€™d understand it all

(Solo) (Sorry no tabs yet) (Same pattern as chorus except Palm Muted)

A

Em

G

Cause Truth has a way of breaking through
