

I Hear Jesus Calling
Audio Adrenaline

Tabbed by: mfarrell

From what I can tell, it s just a **C**
chord and an **F** chord, repeating back and forth for most of it. **F**or **E**x.:

C **F** **C** **F** **C** **F** **C**
I see what eyes cannot see and ears cannot hear and brains cannot
 F
perceive

I m writing that in Monoco size 9 font (in case it looks wrong on your
screen.) Tab for those chords (you probably know this, but...) is:

C :---	F :-1-
-1-	-1-
---	-2-
-2-	-3-
-3-	---
---	---

this is the chord version
