Audio Adrenaline

Album: Some Kind of Zombie

Tabbed by: Bryan Cool (*)

OK, this is a new way I tabbed it, and I m sure you can figure it out, but just in case here s some info on how to read this:

1) In the Order section, the words that are next to the # are words that are sung while you play.

2) The words that have their own line are played in between #s. You don t play during those words.

Comments, Questions, Corrections, etc. can be sent to me (*). Enjoy!
